KUALA LUMPUR: The government has established the Policy Advisory Committee to the Prime Minister to provide advice on national development and economic resilience.

The Prime Minister's Office said former Petronas president and chief executive officer Tan Sri Mohd Hassan Marican would chair the committee.

"The establishment of this committee follows the expiration of the Advisory Committee to the Finance Minister in February 2024, which Tan Sri Mohd Hassan Marican also chaired.

"Suggestions put forth by the Advisory Committee to the Finance Minister have been considered, and some of them are in the implementation process."

The PMO said members of the new appointed committee would not receive any payment from the government.

Other members of the body include FPSO Ventures Sdn Bhd executive chairman Datuk Ahmad Fuad Md Ali, Sunway University Economics Professor Dr Yeah Kim Leng and economist Dr Nungsari Ahmad Radhi.
