PRIME Minister Datuk Seri Anwar Ibrahim said the unity government's success today is the result of

policy stability, bold reforms and the trust placed in it by the people.

He said the economy continues to be strengthened through quality investments, job creation and an inclusive growth agenda that ensure benefits are shared across society.

"Domestically, we are reinforcing the economy through quality investments, job creation and an inclusive growth agenda.

"At the international level, relationships with governments, countries and leaders have opened doors to strategic investments while strengthening the nation's standing on the global

stage," he said in a Facebook post.

Anwar said the achievements under the Madani administration are not merely reflected in figures and statistics, but have translated into tangible benefits for the people.

"These achievements are felt through improved family well-being, new economic opportunities and greater confidence in a more resilient future."
