

# Abang Jo thanks Anwar over Petros recognition

**SIBU:** Sarawak Premier Tan Sri Abang Johari Tun Openg yesterday expressed his gratitude to Prime Minister Datuk Seri Anwar Ibrahim for recognising Petroleum Sarawak Bhd (Petros) as a gas aggregator in the state.

He said Petros' involvement in the oil and gas (O&G) industry

was part of Sarawak's efforts to advance its participation in the broader economic ecosystem.

"We are not being stingy. What we have, we share. Petronas (Petroleum Nasional Bhd) and Petros must work together."

He said this at the Sibu Sarawak United People's Party Chinese

New Year open house.

At a briefing session at the Dewan Rakyat yesterday, Anwar said the federal and Sarawak governments recognised the state's aspiration to venture into the O&G industry in the state.

Meanwhile, Abang Johari said Sarawak had a certain control

over the economic sectors it participated in as a result of the strength of the Gabungan Parti Sarawak (GPS) coalition government.

He said GPS parties should remain united and maintain the strength of the coalition. **Berna-**
