IPOH: Datuk Seri Anwar Ibrahim's position as prime minister remains strong and is unaffected by any attempts to challenge his leadership, including through rallies.

Angkatan Muda Keadilan (AMK) chief Muhammad Kamil Abdul Munim said the prime minister continues to command the support of the majority of MPs in the unity government.

"Attempts to challenge the prime minister's position through rallies

have no impact on the current political stability and lack clear direction.

"It is merely an effort to stir unrest, causing public anxiety without offering any constructive solutions," he told a press conference after opening the Tambun parliamentary constituency Islamic Arts Carnival and Mahabbah Madani Night at the Al-Amin Mosque compound on Sunday.

Muhammad Kamil said he

remains confident the people are now more discerning in their judgement and will not be easily swayed by rallies orchestrated by opposition leaders.

"However, we continue to uphold the principles of democracy and do not obstruct their right to assemble as guaranteed by the Constitution," he said.

He added that the government is focused on efforts to stabilise the cost of living, boost investor

confidence and ensure more effective policy delivery for the benefit of the people.

Regarding the carnival, Muhammad Kamil said the two-day event, which began on Saturday, attracted over 10,000 visitors.

He said the main objective was to strengthen the role of agencies in promoting Islamic and spiritual activities in the community, while fostering the spirit of *hijrah*.
