Anwar donates to stroke patient

KUALA LUMPUR: A stroke patient in Bandar Baru Balok, Kuantan, Pahang, has received a donation from Prime Minister Datuk Seri Anwar Ibrahim.

The prime minister's political secretary, Datuk Ahmad Farhan Fauzi, who visited Kamaruzaman Othman, said on Facebook that Kamaruzaman is dependent on family members after suffering a stroke and is bedridden.

"In the past, he worked hard to support his family, but the stroke changed everything as he is unable to work, thus losing his source of income and his movement is limited." **Bernama**
