

King and PM stroll around Bukit Bintang

KUALA LUMPUR: His Majesty Sultan Ibrahim, King of Malaysia, went for a walkabout with Prime Minister Datuk Seri Anwar Ibrahim around the city's vibrant Bukit Bintang area.

According to a post on Sultan Ibrahim's Facebook page, the walkabout took place right after the King granted an audience to the Prime Minister for their weekly meeting, Bernama reported.

Attached with the post yesterday were several pictures of Sultan Ibrahim and Anwar, among them, near the commercial Genesis Tower and the front of the Fahrenheit 88 shopping centre.
