When I went to Spore in 1985, I  
 stayed at Westin Hotel which was  
 the tallest hotel in the world. There  
 was no other taller building in m'sia  
 other than Daya Bumi Complex. Today  
 18 years later, we have KLCC that  
 we can be proud off. You show us that  
 we can stand tall with the rest of the  
 world. Thank you for making us proud.
