

A Tribute

NST 01/11/2003 - 5 PRECISE

*A man and a woman
A husband and a wife
A father and a mother
Companions for life*

*He demands excellence from us
She cheers us when we achieve
He thunders when we fail ourselves
She soothes us when we grieve*

*Together they have weathered
So much pressure, so many storms
Urging us to believe
We are one and we are strong*

*More than a man and a woman
More than just a husband and a wife
Their vision of Malaysia
Has touched all our lives*

Thank you. You've helped make us what we are today.
