KOTA BELUD, July 24 (Bernama) -- The 1Malaysia concept must be explained clearly and simply to society at the grass roots level, Sabah assembly speaker Datuk Seri Salleh Said Keruak said today.

"This is necessary because there are those who manipulate the concept in the interest of party politics," he said.

Salleh, who is deputy chairman of the state Umno liaison committee, said that 1Malaysia should be upheld by all regardless of political ideology, religion, race or region.

The effect of 1Malaysia, inspired by Prime Minister Datuk Seri Najib Tun Razak, could be seen by all except those jealous of its success, he said at the launch of the 1Malaysia carnival at Sekolah Kebangsaan Taun Gusi here.

The one-day carnival included a job opportunities exhibition and medical service.
