KUALA LUMPUR, Dec 5 (Bernama) -- The IslamGRID portal will be a source of reference for Muslims to get information and guidance on matters related to the teachings of Islam, Minister in the Prime Minister's Department Datuk Seri Jamil Khir Baharom said.

He said the portal was developed with the aim to prevent Muslims from having to depend solely on foreign content which could cause them to deviate from Islamic faith.

"Information provided through the portal will cover all aspects of Islamic teachings including issues on haj, endowment and halal status of food products," he told a press conference after launching the IslamGRID portal and seminar here today.

He said the portal was jointly developed by the Malaysian Islamic Development Department and the Malaysian Administrative Modernisation and Management Planning Unit (Mampu).

It can be reached at www.islamgrid.gov.my.
