KUALA LUMPUR, Dec 2 (Bernama) -- Umno Federal Territories has proposed the setting up of a trust fund under the auspices of the Kampung Baru Development Corporation in efforts to developed the premium land in the capital.

Its representative, Datuk Seri Abdul Azim Mohd Zabidi said the trust fund could keep the shares or assets owned by individuals who opposed the development of their land in Kampung Baru.

"The government can no longer wait for all landowners to agree to the development before it can be carried out.

"It would be desirable for land owned by more than one person, the voice of the majority is taken," he said when debating the motion on economy at the Umno General Assembly 2011 here.

He said for owners who did not agree with the proposed land development, their shares would be placed in the trust fund.

Azim said from the records, Kampung Baru has 800 lots of land owned by about 5,000 people.
