KUALA LUMPUR, Dec 3 (Bernama) -- Umno Vice President Datuk Seri Mohd Shafie Apdal today said delegates who attended the 2011 Umno General Assembly must go back and disseminate the message from party President Datuk Seri Najib Tun Razak to the grassroots.

Mohd Shafie said the process would enable Umno members at the grassroots level to be aware and understand the intended message from the party President which would then translate into victory for every Barisan Nasional candidate.

"What we heard in the hall today must be translated to the branches. During the general election, the message will transform into a tool that will ensure victory for every BN candidate," Mohd Shafie who is also the Minister of Rural and Regional Development told reporters here Saturday.

Meanwhile, another Vice President Datuk Seri Hishammuddin Tun Hussein when asked whether candidates who lost in the 2008 General Election would be given a second chance, said it would depend on the 'winnable' factor of the candidate.

"It will depend on the 'winnable' ability of a candidate. Then the candidate might be given a second chance," said Hishammuddin who is also the Home Affairs Minister.
