KUALA LUMPUR, Dec 12 (Bernama) -- The ongoing "warlord-godfather" spat between DAP chairman Karpal Singh and the party's deputy secretary-general Dr P. Ramasamy will be discussed at DAP's Central Executive Committee (CEC) meeting Tuesday.

DAP deputy chairman Dr Tan Seng Giaw told Bernama that the meeting, which will take place at the party's headquarters tomorrow night, would look into the issue including efforts to mend the rift between the two of them.

The two leaders had hit out at each other during the Penang DAP convention yesterday after Dr Ramasamy, who is also Penang deputy chief minister, was reported to have said that there were "godfathers" in DAP.

Dr Tan, however, refused to comment if the meeting would also look into the possibility of some sort of disciplinary action being taken against them.
