KUALA LUMPUR, Dec 23 (Bernama) -- Senior citizens aged 60 and above who have RapidKL's Senior Citizen Concession card must immediately submit their applications to enable them to travel at half price on the Light Rail Transit and KL Monorail beginning Jan 1 next year.

Syarikat Prasarana Negara Berhad (Prasarana) Group Director for Rail Division, Khairani Mohamed said the operators of Klang Valley's LRT and monorail services via RapidKL subsidiary were advising senior citizens to register today and get their concession cards early.

"Beginning on that day, senior citizens will enjoy concession fares at a 50 percent discount for ticket fares on LRT and KL Monorail.

"The discount offer is in line with the Prime Minister's announcement on Budget Day in October that senior citizens will be accorded a 50 percent discount on the LRT and KL Monorail," he said in a statement, here Thursday.

Khairani said the concession fare was also applicable to the disabled people and they just needed to show their OKU cards issued by the Welfare Services Department in applying for the cards.

He said the concession fares were already implemented on RapidKL buses with the use of concession cards since the implementation of its New Ticketing Bus System last February.

"Those who already have the Senior Citizen Concession Card, need not re-apply and they can continue to use the same card when travelling on RapidKL rail and bus services," he said.

He said, application for the senior citizen cards could be made at Pasar Seni LRT Station and people had to bring their MyKad and a duplicate copy of their identity card to the ticket Concession Registration Counter.

"Applicants must complete a simple registration form to apply and they are required to pay the pre-loaded purse value of RM5.

"For the subsequent purse value reloads, passengers may do so at all RapidKL LRT stations with a minimum of RM10 and at any TnG reload counters," he said.
