KOTA KINABALU, Dec 29 (Bernama) -- All Wanita BN election machinery must be 1Malaysia-oriented when meeting voters, said Women, Family and Community Development Minister Datuk Seri Shahrizat Abdul Jalil.

Shahrizat, who is also Wanita BN and Wanita Umno chief, said the BN was a coalition for all the races and as such its members must be "living and breathing" the 1Malaysia concept to win over voters.

"Umno members should not only be meeting Malay voters. We (Umno members) must meet people of other races because we live in a country that is made up of various races. The same applies to the other component parties," she said when activating the Sabah Wanita BN election machinery here Thursday.

Shahrizat further reminded all Wanita BN machinery to be in a high state of preparedness for the upcoming 13th General Election, which she said could be called at any time although it need only be held in 2013.
