KUALA LUMPUR, Nov 5 — Datuk Seri Najib Razak has called on Muslims to set aside their differences, pointing out that unity was the root of Islam's strength.

The prime minister, who is performing Hajj, said it was clear that God intended Muslims to remain united by making the pilgrimage to Mecca one of the Five Pillars of Islam.

"Much can be accomplished when we foster unity in our lives," he said in his Hari Raya Aidiladha message today.

"We can also defend the strength we now have if we stand as one, whether in or outside the country."

Najib (picture) also said such unity would help foster love and good relations between Muslims, regardless of nationality and race.

He added that Malaysians should celebrate Hari Raya Aidiladha in the spirit of 1 Malaysia, while not forgetting the importance of sacrificing in the name of religion, race and the country.
