SHAH ALAM, Oct 18 (Bernama) -- The Selangor Barisan Nasional (BN) wants Menteri Besar Tan Sri Abdul Khalid Ibrahim to list the names of the State Assemblymen, whether from the opposition pact (PR) or the BN, who have shown good performance or otherwise.

The Opposition Leader in the Selangor State Legislative Assembly, Datuk Dr Satim Diman said this when commenting on Abdul Khalid's statement in the press on Oct 15 that additional working allowance would be given to Selangor Assemblymen who had contributed to the people and state.

"We want him to list the names of Assemblymen including from the Pakatan Rakyat. If he is afraid to list them, then what he had said was a big lie," he said at a press conference, here today.

Abdul Khalid was reported as saying that the additional Assemblyman's allowance as announced in the last Selangor State Assembly sitting did not involve an increase for all Assemblymen in Selangor, and the additional working allowance was an incentive given to the Assemblymen based on the work done such as visiting their constituencies regularly.
