MARAN, Nov 19 (Bernama) -- The people should reject the opposition strategy of exploiting democracy for their own gain, said Special Affairs Department (Jasa) director-general Datuk Fuad Hassan.

He said the opposition and non-governmental organisations (NGOs) are working hard to undermine the government's integrity by running down programmes for the people's benefit.

"The people must not conspire with parasites out to destroy the integrated planning of Prime Minister Datuk Seri Najib Tun Razak through the 1Malaysia concept.

"The stability and prosperity must be protected from mischievous hands bent on destroying the civilisation built by Umno and Barisan Nasional leaders," he said at "Sejuta Bakti Semurni Jasa" programme attended by 1,000 teachers from Maran and Jengka at Dewan Pekan Tajau here today.

Fuad said civilisations built over hundreds of years could be destroyed in a short time like what happened to Iraq, Egypt and Libya and should be a lesson to other countries.

"A change in government leadership did not bring prosperity after the economy collapsed while the people have to endure suffering," he added.
