KUALA LUMPUR, Nov 29 (Bernama) -- The overhead bridge connecting the PWTC Light Rail Transit (LRT) Station to The Mall Shopping Complex and the Putra World Trade Centre is temporarily opened to all users in conjunction with the Umno General Assembly 2011 beginning Tuesday.

Syarikat Prasarana Negara Bhd media manager Azhar Ghazali said the 400-metre long overhead bridge was being opened temporarily in conjunction with the assembly and would be closed again after the conclusion of the assembly on Saturday.

"Construction of the overhead bridge started in September last year and had yet to be fully completed. There are several other sections which will be completed. It was opened to facilitate members of the public to attend the assembly," he said when contacted by Bernama.

He said the overhead bridge would be handed over to Kuala Lumpur City Hall (DBKL) by the end of next month after it was fully completed.
