GEORGE TOWN, Nov 9 (Bernama) -- Minister in the Prime Minister's Department Tan Sri Nor Mohamed Yakcop described the DAP's suggestion to reduce the number of civil servants if it were given the mandate to govern as being disrespectful to them.

He said the DAP was not being appreciative of civil servants who had been involved in the development and progress of the country.

"The role of civil servants in the transformation of the country from a poor to modern nation should be appreciated by all," he told reporters after chairing a meeting of the Penang Bumiputra Development Council here today.

Nor Mohamed was asked to comment on a statement to the effect made by DAP information secretary Tony Pua in a Chinese daily recently.
