PUTRAJAYA: The Umno general assembly from Nov 29 to Dec 3 will focus on preparations for the general election, said party secretary-general Datuk Seri Tengku Adnan Tengku Mansor.

"I believe that the Umno president's (Datuk Seri Najib Razak) speech will touch on preparations for the general election.

"The general election is important because we want to make sure that Barisan Nasional continues to be the ruling government," said Tengku Adnan during the Hari Raya Aidiladha celebration at Presint 16, near here, yesterday.

The celebration, in its fourth year, saw 43 cows slaughtered and the meat distributed to the neighbourhood.

Tengku Adnan, who is also Putrajaya member of parliament, said an international forum on world politics would also be held prior to the Umno general assembly.
