GEORGE TOWN, Jan 12 (Bernama) -- The Penang PAS Supporters Congress today urged the party leadership to withdraw the decision to sack former Selangor PAS Commissioner Datuk Dr Hassan Ali.

Its chairman, Dr Ooi Vellautham said the PAS leadership should give Dr Hassan a second chance to defend himself as he was among the individuals who had contributed so much to the party.

"All quarters must remain calm in order to come out with a wise decision. Dr Hassan is a credible and intelligent leader. The decision to sack him is detrimental to the party," he told reporters here today.

Dr Ooi also called on Dr Hassan to make an appeal on the decision and to rejoin the party.

"I would also like to suggest to the Selangor government not to fill the seat left vacant by Dr Hassan in haste. An in-depth study must be carried out and a consensus must be achieved through meetings and discussions. Justice must be given to him," he added.
