PUTRAJAYA, Jan 3 (Bernama) -- The Home Ministry has set up another branch of one-stop centre (OSC) under the Illegal Immigrant Comprehensive Settlement Programme (6P) which is scheduled to start operations tomorrow at the KDN Complex in Kuantan, Pahang.

Its secretary-general, Tan Sri Mahmood Adam was confident that the opening of the new branch could reduce congestion and convergence at the main OSC in Putrajaya, thus providing facilities and a choice to employers in Pahang, Kelantan and Terengganu to handle their application without having to go to the Immigration Department's headquarters in Putrajaya.

With the opening of the new branch, there were eight OSCs provided by the government to undertake the 6P programme legalisation process, namely at the Immigration office (Putrajaya headquarters, Precinct 15 and Port Klang), National Registration Department's headquarters, Putrajaya and at the KDN Complex (Jalan Duta, Johor Baharu, Seberang Jaya and Kuantan).

"Just like other OSCs, the branch in Kuantan will also operate 24 hours a day including Saturday and Sunday until the end of the programme on Jan 10," he said in a media statement, here Tuesday.

He said, except for the application to change employers by the illegal immigrants, all transactions in Kuantan were the same as operations in Putrajaya OSC which were ID application for employers to update their illegal immigrant data, applying for letters of notification to embassies, processing applications to recruit foreign workers, payment of levy and issuance of legalisation approval letter.

He said for foreign maids, the government had agreed to give employers the option to represent the whole legalisation application to the managing companies.

However, a letter of authorization must still be submitted to the regulatory agencies.
