KUALA LUMPUR: Kelantan Menteri Besar Datuk Nik Abdul Aziz Nik Mat and his family members should declare their assets to the Malaysian Anti-Corruption Commission under its latest proposal to check graft in high office.

Jaringan Melayu Malaysia national chairman Noorizawati Ahmad Zulkefli said Nik Aziz should let the public know the value of his assets and that of his immediate kin.

"There is nothing he should be afraid of if the assets he owns are gained through truthful means."

She also urged Parti Keadilan Rakyat strategic director Mohd Rafizi Ramli and its secretary-general Saifuddin Nasution to urge Nik Aziz and his son-in-law Abdul Ariffahmi Abdul Rahman to declare their assets.
