PETALING JAYA: Tun Dr Mahathir Mohamad has again urged Wanita Umno chief Datuk Seri Shahrizat Abdul Jalil to leave the Cabinet over the National Feedlot Corporation scandal.

"Do not love your post so much that you refuse completely to part with it," he said of Shahrizat who has maintained that she has nothing to do with the scandal and would not resign as a minister.

"We must always think about the problems caused to the party... that is why when I was there (in Umno) for so long and people were getting bored, I decided to resign.

"So do not love your post so much that you refuse completely to part with it... Eventually, we will have to part with it," Dr Mahathir told reporters at Perdana University.

Dr Mahathir noted that difficult action must sometimes be taken for the good of the party, adding "But, it's up to her what decision she wants to make."
