KUALA LUMPUR, Jan 27 (Bernama) -- Tan Sri Muhyiddin Yassin reminded the Barisan Nasional (BN) election machinery for the Lembah Pantai parliamentary constituency to intensify efforts to recapture the seat in the next election.

The deputy prime minister said with the fight for the seat expected to be very keen, the machinery should strategise well in order to win it back.

He said the opposition was resorting to all kinds of tricks to keep the seat, especially through the alternative media where it was making various attempts to run down the BN government.

The BN election machinery must be brave in countering the deceit and lies spread by the opposition, Muhyiddin, who is also Federal Territories BN chief, said when addressing the machinery at a high-tea function here.
