KUALA LUMPUR, Feb 9 — MCA president Datuk Seri Dr Chua Soi Lek said today the party is confident embattled minister Datuk Seri Shahrizat Abdul Jail will use her "political wisdom" over the National Feedlot Corporation (NFC) controversy.

"She's a senior party leader and we have confidence in her political wisdom.

"We are confident she will decide in the best interests of Umno and Barisan Nasional," Dr Chua was quoted by Star Online as telling reporters at the MCA headquarters here.

He was replying to questions on whether Shahrizat should resign following the NFC issue.
