KUALA LUMPUR: Umno has accepted the resignation of former information minister Tan Sri Kadir Sheikh Fadzir from the party.

Umno secretary-general Datuk Seri Tengku Adnan Tengku Mansor said yesterday the decision was made by the party's management committee.

"We received his resignation letter and the management has accepted it," Tengku Adnan said in a press conference yesterday after launching the Pertubuhan Kebajikan dan Amal India Baru Malaysia's annual general meeting.

Kadir, who had previously resigned as Kulim-Bandar Baharu Umno division treasurer, came under fire in recent weeks for speaking out against Umno.
