PUTRAJAYA: Impressed with 1Malaysia, UN secretary-general Ban Ki-moon has suggested that other nations emulate the concept.

"This is what the UN has been promoting worldwide.

"I am impressed with Datuk Seri Najib's satu Malaysia concept as it is very much in line with what the UN has been promoting," he said at a joint press conference after meeting Prime Minister Datuk Seri Najib Tun Razak here on Thursday.

Ban noted that Malaysia had progressed tremendously under Najib's leadership.

Ban is here as part of his visit to the region.
