

BN election machinery told to go into "highest gear"

TheStarOnline

March 7, 2012

KANGAR: The Barisan Nasional election machinery has been told to "go into the highest gear" for the coming general election.

Umno information chief Datuk Ahmad Maslan said if the coalition's machinery was in first gear at this time four years ago, the time had come for it to go into fifth gear.

"The general election will be held soon. Tomorrow, March 8, it'll be four years since the last general election.

"The general election rarely takes place after four years," he told state Barisan leaders in Arau on Tuesday.

Ahmad urged the people to give the mandate again to Prime Minister Datuk Seri Najib Tun Razak to head the government as many more new measures would be introduced to benefit the people.

The people should also not be easily influenced by the sweet promises of the opposition as were found in its Buku Jingga (Orange Book) because they were false, he added.
