MELAKA, March 11 (Bernama) -- Veteran Umno members still have a major role to play to create awareness among the younger generation on the party's struggles.

Umno Deputy President Tan Sri Muhyiddin Yassin said the veterans had undergone hardship to achieve independence for the country to ensure it continuously enjoyed progress which the younger generation currently enjoyed.

He said, if the younger generation did not remember the struggles of the older generation, then, they would not understand history or remember Umno.

Muhyiddin said, since the younger generation was born after Umno was formed, and after the country achieved independence, it was unaware of the party veterans' true struggles.

He was speaking at the Melaka Umno veterans premier charity dinner at Dewan Bankuet, Dewan Seri Negeri in Ayer Keroh Saturday night.

Also present at the event was Melaka Chief Minister Datuk Seri Mohd Ali Rustam.
