MUAR, Oct 28 (Bernama) -- The Barisan Nasional (BN) government, which has ruled the country ever since the nation gained independence 54 years ago, has never disappointed the Indian community by implementing various programmes for their benefit, said Tan Sri Muhyiddin Yassin.

The Deputy Prime Minister, who is also the BN deputy chairman, said through thorough planning, the BN government had succeeded in resolving the various problems faced by the Indian community in this country.

"Only the Barisan Nasional is capable of resolving the people's problems and not the opposition, because they (the opposition) are only quarrelling among themselves to achieve their own agendas.

"How can they (the opposition) resolve the people's woes if they can't even settle their own problems," he said at a Deepavali celebration for the Pagoh Parliamentary constituency at Bukit Pasir, Friday.

Muhyiddin, who is also Umno deputy president and the Member of Parliament for Pagoh, said this to about 2,000 people who attended the event at the Taman Bintang Emas, here.

The Deputy Prime Minister said although the Indian community in this country constituted only between six and seven per cent of the total population, the government had never ignored them.

"This is because the Indian community are also Malaysian nationals and the Barisan Nasional government has done everything it can to look after their interests by providing various assistance to them," he said.

Muhyiddin said the government had set up a committee at the cabinet level, chaired by Prime Minister Datuk Seri Najib Tun Razak himself, to assist the Indian community.

At the Pagoh parliamentary level, he said, the BN had provided various aid to the local Indian community such as the construction of Sekolah Jenis Kebangsaan Tamil, temples and others.

At the function, which was also attended by Johor MIC chairman Datuk K.S Balakrishnan, Muhyiddin presented aid to the poor in the Pagoh parliamentary constituency comprising 250 Indians, 25 Malays and 25 Chinese.
