KUALA KANGSAR, March 3 (Bernama) -- The conflict ailing the PAS-ruled Kedah showed opposition parties were incapable of ruling the state, what more the country, said Minister in the Prime Minister's Department Datuk Seri Mohamed Nazri Aziz.

He said the internal problems affecting the PAS leadership could jeopardise various development programmes for the people in the state.

"This is their internal affair but as a government, it will affect the people. It shows that when not in power, it was easy to talk...but today, it could not even administer a state, what more the country.
