SANDAKAN, March 10 (Bernama) -- The Barisan Nasional government will continue to be a pro-business government that encourages private sector growth and investment, Chief Minister Datuk Seri Musa Aman said.

He also said that he would like to see all communities participate and take advantage of available opportunities so that everyone can reap the rewards together.

Speaking at the Sandakan Hokkien Association's 124th Anniversary dinner here tonight, Musa acknowledged the Hokkien community's contribution towards Sabah's economic growth.

"Your diligence in conducting business activities and participation in the various economic sectors are recognised, and are part of overall efforts in driving our economy forward. I am confident that the Hokkien community will continue to contribute to the local economy.
