KOTA KINABALU, March 10 (Bernama) -- The Barisan Nasional (BN) will ensure that the people's welfare and needs will be fulfilled if it is returned to power in the next general election, said Sabah Deputy Chief Minister Datuk Yahya Hussin.

He said various aid extended to the people, including the 1Malaysia People's Assistance (BR1M), were part of the BN continuous efforts to ease the burden of the people and help them improve their family economy.

"History has shown that the BN had always been working in the best interest of the people in looking after their welfare.

"However, the BN needs the mandate of the people to ensure continuous efforts could be implemented," he said when opening the Meruntum 1Malaysia Zone in Putatan here today.

Yahya said rapid development under the BN administration would enable the people to unleash their potentials in the march towards a high-income nation.
