

Unity KPI Important For BN Machinery
Bernama
February 18, 2012

KLANG, Feb 18 (Bernama) -- The implementation of unity Key Performance Indicators (KPI) by state Barisan Nasional (BN) liaison bodies can provide important indicator for the party machinery in preparation for general election.

Sementa State Assemblyman Datuk Abdul Rahman Palil said the unity KPI could gauge the level of consensus and cooperation between BN leaders and the people.

"The proposed KPI will gauge preparation for general election and make improvements," he told reporters after giving 3,200 people aid under Bantuan Rakyat 1Malaysia (BR1M) Fasa 4 DUN Sementa here today.

The KPI will give a clear picture to Prime Minister Datuk Seri Najib Tun Razak in planning for election at divisional and state level.

Deputy Prime Minister Tan Sri Muhyiddin Yassin said Najib had put KPI in preparation for election and all state liaison chairmen were responsible for meeting the targets.
