SINGAPORE, Feb 20 (Bernama) -- MasterCard customers and cardholders will enjoy the exclusivity reserved for VIPs following the company's new tie-up with the Singapore Indoor Stadium (SIS), in an agreement brokered by World Sport Group.

MasterCard's sponsorship of Singapore's iconic venue means its invited guests stand to enjoy the full benefits of the exclusive SIS VIP Lounge before and after shows, as well as direct access to their VIP seats via the lounge and access to parking via a private driveway.

The VIP Lounge, now renamed as MasterCard Lounge, is the first of its kind at the SIS.

MasterCard cardholders will also enjoy the convenience of card acceptance at the stadium's food and beverage via concessionaries as well as a priority line for expedited service.

SIS managing director, Mark Collins, said the past 12 months have been incredibly successful for SIS with an impressive line up of international acts and sporting events.
