KUALA LUMPUR, March 22 (Bernama) -- The Felda Group has never exported products to the Israel through its subsidiaries including Felda-Iffco Sdn Bhd (FISB), said Deputy Minister in the Prime Minister's Department Datuk Ahmad Maslan.

He said FISB only made product shipment to Palestine in 2010 and 2011 to fulfil orders in the local market via Ashdod port in Israel because there were no other ways to channel the shipments.

"All the products which consisted of bulk oil and edible oils were for shipping to Palestine," he told a news conference at Parliament's lobby Thursday.
