TEMERLOH, March 23 (Bernama) - Pahang Malaysia Felda Youth Council (MBFMP) fully supports the listing of Felda Global Ventures Holdings Berhad (FGHV) on Bursa Malaysia this June.

Chairman Suhaimi Tan said the listing will not only give benefit Felda settlers and second generation settlers but will also enhance their image.

"This is because after listing, FGVH will become one of the largest bumiputera companies to enter the international market.

"Felda's listing is appropriate as after 50 years, it can no longer depend on plantations for profit," he said commenting on FGVH's listing on the stock exchange.

Suhaimi said Felda must enter the stock market as dependence on farm produce would make it static and urged second generation settlers to support listing to ensure their future.
