KANGAR, Feb 26 (Bernama) -- The people have been advised to make use of their right as consumers to elect the government in the next general election.

Perlis state executive councillor Sabry Ahmad said that they should apply the concept of being prudent in selecting quality consumer goods in choosing the government as well.

Sabry, who holds the agriculture, agro-based industry and consumerism portfolio, said the people should use prudence in electing a party which has proven its efficiency to ensure their well-being in the future.

He represented Perlis Menteri Besar Datuk Seri Dr Md Isa Sabu at the opening of a rural consumerism programme organised by the consumers club of the Santan state constituency in collaboration with the Perlis Consumers Movement, here last night.

Sabry, who is the state assemblyman for Santan, said the Barisan Nasional (BN) government has implemented various programmes for the welfare of the people.
