PUTRAJAYA, March 28 (Bernama) -- Malaysia hopes to achieve between 10-15 per cent electric vehicles (EV) in the market by 2020, said Minister of Energy, Green Technology and Water, Datuk Seri Peter Chin Fah Kui.

He said the government had initiated the Fleet Test Vehicles (FTV) Programme together with Proton, to determine the requirements for developing and testing technology, as well as related infrastructure and promoting the EV.

In this respect he said, 120 EV's will be on the road in Putrajaya and Cyberjaya by year-end.
