KUALA LUMPUR, March 28 (Bernama) -- Proton Holdings Bhd and Perusahaan Otomobil Kedua Sdn Bhd (Perodua) should continue to collaborate in areas they had previously agreed on, said Minister of International Trade and Industry (MITI), Datuk Seri Mustapa Mohamed.

He said the collaboration talks, had benefited both carmakers and the automotive industry, as a whole.

"The previous Proton management and Perodua had agreed to collaborate in certain areas such as vendor distribution and marketing, as the merger proposal was extreme," he added.

He was speaking to reporters after unveiling the wide range of maritime industry-related services offered by T.A.G Marine Sdn Bhd, here Wednesday.

Mustapa said MITI would continue to engage with both national car companies.
