KUALA LUMPUR: Pas secretary-general Datuk Mustafa Ali must come clean about his support for opposition leader Datuk Seri Anwar Ibrahim.

Kedah Anti-Fraud Task force president Khairul Anwar Ramli said Mustafa has a duty to explain the matter to Pas members.

"Pas members want to know if Mustafa's support for Anwar is voluntary or if he is being threatened by Anwarinas (Anwar's supporters) within Pas."

"As a Pas leader, Mustafa should not allow himself to be blackmailed or pressured into saying anything he does not want to.

"This is a matter of pride, for the party and also the religion."

Mustafa had recently voiced his support for Anwar following fresh allegations of sexual misconduct against the opposition leader. Anwar had been labelled a "bisexual".
