BANGI: Students will receive good news about the Public Service Department (PSD) scholarships on Tuesday, said Deputy Prime Minister Tan Sri Muhyiddin Yassin.

"Students can wait for the good news and the details," said Muhyiddin, who is also the Education Minister. He was speaking to reporters after launching the National Education Dialogue webpage on Monday.

On another matter, he said teachers are given top priority in the National Education Dialogue.

He said the first phase of the National Education Dialogue would involve teachers who were at school implementing the education policies.

"The National Education Dialogue is going to be carried out from state to state. The report on the dialogue is expected to be ready in three months' time."
