JOHOR BARU: MCA president Datuk Seri Dr Chua Soi Lek has urged the Chinese to treat the party fairly and not always criticise everything it does.

He said the Chinese were very forgiving towards the Opposition and that if the Opposition did not do anything for Chinese schools, the Chinese felt it was okay.

However, if the MCA were to make a mistake, all the blame would be channelled to the party.

He also said that other Chinese schools should emulate SJK(C) Ching Yeh in Gelang Patah here which managed to raise RM1.5mil on its own to fund its new building, and not just depend on the Government for funds.

Dr Chua was speaking at the school new building's ground breaking ceremony here Friday.
