PETALING JAYA: Tun Dr Mahathir Mohamad who underwent a minor surgery to remove nasal polyps on Tuesday is recovering and responding well to treatment at Hospital UKM.

According to his aide Sufi Yusoff, doctors are happy with the former prime minister's progress. Dr Mahathir is already having normal meals, he added.

The hour-long surgery which began at 9.30am was performed by a team led by HUKM consultant ENT surgeons Prof Dr Abdullah Sani Mohamed and Prof Datuk B.S. Gendeh, HUKM consultant anaesthesiologist Prof Joanna Ooi and IJN consultant anaesthesiologist Datuk Dr Haji Hassan Mohamad Ariff.

Dr Mahathir is expected to be discharged today.
