PUTRAJAYA: Datuk Seri Najib Tun Razak has unveiled the Talent Roadmap 2020, a comprehensive programme to address Malaysia's needs arising from the Economic Transformation Programme.

The roadmap, which covers a nine-year timeframe, is designed to address the underlying issues affecting talent availability in Malaysia.

Najib said under the roadmap, TalentCorp would act as a focal point on talent issues.

"It will drive initiatives anchored to three strategic thrusts.

"The thrusts are optimising Malaysian talent, attracting and facilitating global talent and building a network of top talent," he said when unveiling the roadmap here Tuesday.

Najib also announced a slew of incentives, including the residence pass for professional expatriates being extended to successful entrepreneurs engaged in knowledge-intensive activities.

TalentCorp was set up to spearhead efforts to deliver quality and sufficient human resource.
