KOTA BARU, Jan 24 — Datuk Seri Najib Razak today blessed 15 “Sayang Squad” vans to be used by Kelantan Wanita Umno to serve people in the state.

The simple “tepung tawar” ceremony was held at Sultan Ismail Petra Airport, Pengkalan Chepa near here soon after the prime minister’s arrival, according to a Bernama report.

Also present were Kelantan Umno deputy chairman Datuk Dr Awang Adek Hussin, Umno vice-president Datuk Seri Dr Ahmad Zahid Hamidi and Kelantan Wanita Umno chief Datin Halimah Mahamad.

Later, Najib, who is also Umno president, held a one-hour closed-door meeting with Kelantan Barisan Nasional (BN) leaders.

Halimah said the vans will help Kelantan Wanita Umno in providing services to people throughout the state.

“Previously, Kelantan Wanita Umno members used their own vehicles to enter kampungs to serve and reduce the people’s burden,” she was quoted by Bernama as saying.
