IPOH, April 5 (Bernama) -- Perak Menteri Besar Datuk Seri Dr Zambry Abdul Kadir today reminded Pasir Panjang assemblyman Datuk Seri Mohammad Nizar Jamaluddin to stop being hypocritical and lying about his support for the iron ore project in Teluk Rubiah by Vale International.

Zambry said Nizar's action could have a negative effect on investment, development and economic growth in the state.

"I advise him to stop this because the more we give excuses or try to bluff, the more it will reflect on our weaknesses as leaders," he told reporters outside the state assembly hall, here, Thursday.

He was responding to Nizar's statement today, claiming that the letter dated Dec 17, 2008 that he signed when he was menteri besar did not indicate that he had agreed to the implementation of the project in Teluk Rubiah, but was for the purpose of public relations with investors.
