KUALA LUMPUR, April 16 (Bernama) -- Only 42,000 or 0.3 per cent of the 12.6 million eligible voters are classified as dubious voters after checks were carried out with the National Registration Department.

Election Commission (EC) chairman Tan Sri Abdul Aziz Mohd Yusof said the electoral roll is cleaned on a daily basis and that the parliamentary members had been informed of the matter during a briefing by the EC.

"Only a small percentage are dubious voters. So, we cannot say the EC is not transparent in carrying out its task.

"I can assure that our country is among the countries which are clean in conducting the cleaning process of the electoral roll," he told reporters at Parliament House.

He said the EC had done its best to avoid any discrepancies in the electoral roll.
